One hour Private Yoga Session

Betty Greene will come to your home and give you an hour of undivided attention in the art of Yoga and Relaxation. In the privacy of your home you can comfortably, without distraction, take the precious time to relax and rejuvenate in the best possible way. Through easy warm up stretches into classic postures you can discover exactly how your body wants to move, how subtle changes shift your inner mode from erratic to peaceful.

Betty has practiced Yoga for over 25 years. She has taught locally in Plymouth, Norwell and Braintree as well as in Mexico, Germany and England.

Her style of teaching is through slow movements, observing what the body 'says' in reaction to a move then, 'answering' appropriately; which means making the next movement a perfect 'response' to the last. **Value: \$75.00 Minimum Bid: \$25.00**
