

By the Light of the Magical Moon, twelve brave young Knights fight to build a world where children don't get cancer!

This Santa dollar package will help them realize their mission.

For each \$5.00 donation to The Magical Moon Foundation you will receive a Santa Dollar package. Add a \$3.50 shipping fee for up to ten Santa's in a package. Each package contains a decorative card with Santa's picture on two sides illustrated by Donna Green, a Santa sticker made to place on a real dollar bill, and an envelope to present it in. This is a Holiday gift that will go in many directions honoring some very brave children with cancer.

To place an order call Sunshine Patty at the Magical Moon Foundation 800-840-0205. We accept credit card payments. Thank you for helping us to make this a magical Holiday season for our knights!
